60910N	1"	10+10	1

Collettore componibile in ottone giallo con derivazioni, filetto 24x19. Attacco tubo rame, plastica e multistrato, corredato di vite 8MA e O-Ring per accoppiamento.

Yellow brass distribution manifold, thread 24x19, with connections for copper, plastic and multilayer pipe and with 8MA screw and O-rings for connection.

631				
63134	3/4"	2+2	1	20
6311	1"	2+2	1	20

Collettore componibile in ottone cromato con derivazioni, filetto 24x19. Attacco tubo rame, plastica e multistrato, corredato di vite 8MA e O-Ring per accoppiamento.

Chromium-plated brass distribution manifold, thread 24x19, with connections for copper, plastic and multilayer pipe and with 8MA screw and O-rings for connection.

630				
63034	3/4"	2+2	1	20
6301	1"	2+2	1	20

Collettore componibile premontato con derivazioni, filetto 24x19. Attacco tubo rame, plastica e multistrato.

Pre-assembled distribution manifold with connections for copper, plastic and multilayer pipe, thread 24x19.
